

## ST VINCENT'S VC ACADEMY

Tuesday 5<sup>th</sup> January 2021

Dear Parents / Carers,

Following the Prime Minister's announcement that schools should be closed with immediate effect, we will be moving to remote learning from Wednesday 6<sup>th</sup> January 2020.

Our learning package for home learners in Year 1 and 2 will comprise of the following:

- Home learning packs / tasks that will be available as paper copies and online.
- A weekly check in phone call from one of our staff team.
- Google classroom - all children have a login. we would like the children to work on here, submitting completed work to share with their class teacher. Tasks will be uploaded as per the timetable below.
- We have put together a dual learning package for online and offline learners. We want to ensure all pupils can access our core areas of learning. If they unable to access online learning or do not have a suitable device on which to work, please let us know and we will provide paper packs.
- Tasks set in the Google classroom can either be completed online or in the exercise book sent home with your child last term. If completed in the exercise book, you will need to then take photographs and upload these to the Google classroom.

**This is a proposed Timetable for KS1. Other than the 9am daily check in, times of learning may vary for each family depending on your family's other commitments / access to devices / adult support.**

Time	What	Online	Paper Pack
9:00	Check in	Check in on Google Classroom.	Call the school office to check in.
9:05	Read home reading book and talk about the book to an adult	Own reading book	Own reading book
