

## ST MARY'S COLLEGE

### Instrumental Tuition 2020/21

21<sup>st</sup> September

Dear Parents/Carers,

I am writing to notify you that our instrumental music tuition staff have restarted face-to-face teaching across the St Cuthbert's Trust. I would like to reassure you that we have put in place a range of cleaning routines and other safety measures to ensure that teaching environments are safe for all concerned.

We have taken on board guidance and advice from both central government and specialist music education organisations to ensure that our staff and students are able to make music together again safely. If there are any instrument-specific guidelines that your child needs to follow when practicing at home, then their teacher will supply this information directly.

I would like to take this opportunity to thank the many of you who supported the online music tuition during the summer term. We were pleased to be able to offer some form of tuition to keep students engaged throughout what was a tricky time for everyone. If you have any specific feedback or reflections on this provision, then please do pass this on to me; we are keen to refine this aspect of our offer in case we should ever need to resort to this method of delivery again at any point in the future.

Thanks for your ongoing support of music education in our Trust.

Best Wishes,

Mr A McIntosh
